

Yoga Rewards

How it works

earning points = \$ in your account

Register in Advance Using Our Online Scheduler

... 50 points per class ...

You will receive 50pts for every class that you register for and attend. (Points don't count if you don't make it to the class.) If you book 10 classes online, for example, you get 500 points (= \$5.00 studio credit).

New Student Referral

... 1000 points per referral ...

Bring or refer your friends, family, co-workers, and clients to the studio and you will earn 1000 points. You get \$10 of studio credit in your account for each new person.

Watch for Special Sales Announcements

... Earn points for every \$ spent ...

Every month there will be a chance to earn points by making new purchases. These sale days will be announced through Facebook, our email newsletter and at the studio.

Participate in Special Events, Contests, etc.

Every couple of months there will be a different event that will be announced where you will get a set amount of points if you participate or help out. Examples include helping with volunteer projects, community outreach, attending 15 classes in a month, etc.
